

August 2023 Howe of Fife & Taycoast Community Council Report

Introduction

Welcome to August's Howe of Fife Community Council Report from your local officers, PC Mark Lowe and PC Kirstie Haddow.

YOUR COMMUNITY NEEDS YOU!

We continue to appeal for members of the community to participate in the Community Speed Watch Campaign.

We would like to thank the volunteers that have already come forward and would like to encourage anyone else interested to make contact with us.

We officially started our Community Speed Watch during May with a few of our willing volunteers being deployed.

Community Speed Watch involves local resident volunteers being deployed on our roads with speed detection devices to provide a visible presence to deter and identify speeding motorists in hot spot areas.

If you require any further information with regards to this campaign, or would like to be considered as a volunteer then please contact us at the e-mail address listed below.

OPERATION PREVAIL

PC's Hadow and Lowe alongside Fife Coast and Countryside Trust carried out a joint patrol in the Howe of Fife Area where they carried out foot patrols at Birnie and Gaddon Loch which are some of the local hotspots known for wild camping and illegal poaching. The purpose of this visit was to inform and educate any persons found to be carrying out such activities with regards to anti-social behaviour, littering and wild fires. On this occasion there were no issues however another joint patrol is planned for September.

OPERATION PARAMOUNT – OPERATION CLOSE PASS

Operation Close Pass is an initiative to reduce the number of accidents caused by drivers not providing enough space to people riding bikes. The initiative is to ensure drivers give an adequate distance to cyclists on the roads and pass them only when safe to do so. Drivers who do not give adequate space are brought back to a designated point for a “chat on the mat” and advice is provided to empathise the safety of the cyclists.

On 16th August, 2023, PC Mark Lowe and PS Joanna Peddie, along with RP Officer (pictured) participated in this event with a number of road users being warned regarding their distance and passing too close to cyclists, one driver reported for no insurance, and one warning issued re navigating a roundabout. This engagement has assisted in reinforcing road safety for both drivers and cyclists alike.

RECENT EVENTS

Officer's attended the Strathmiglo Summer Fun Day which was a well-attended event and led to the opportunity for the officers to meet and engage with the local community. They even managed to make the front page of the Strath Newsletter.
